Dear <First Name>,

We're reaching out to tell you about upcoming changes to your specialty drug coverage. Your plan authorizes coverage of <Medication\_name> from <VALIDITY\_START\_DATE> through <VALIDITY\_END\_DATE>.

But beginning Jan. 1, 2022, when and how you pay for it may change. Instead of paying the provider who administers this drug for you, you may pay the specialty pharmacy that sends this drug to your provider.

**What this means for you**

We're working with the providers in your network to make sure this transition goes smoothly. You may have to pay for your drug a little earlier than usual, but you may pay less for it than you're used to. You can also use manufacturer coupons, if you have some, to help pay for your drug.

A few days before your scheduled appointments, the specialty pharmacy will call you to arrange your payment and answer any questions you may have. After you pay, they'll ship the drug to your provider, and you'll go to your appointment as scheduled. You'll still need to pay your provider for their care, but not for the drug itself.

In some cases, doctors in Tennessee who get specialty medications from a wholesaler and file their claim with us may continue to do so. In these cases, you'll still pay your provider for your portion of the medication's cost.

**We're here for you**

If you have any questions about this change and how it affects you, we're here to help. Just give us a call at the Member Service number on the back of your Member ID card.

Best of Health,

Your Member Care Team
